TO ALL PEACE OFFICERS—

Dear Sirs:

Rex Cahill alias R. H. Cahill, whose picture is attached hereto, is wanted by me for "Grand Larceny", for the theft of an automobile. Cahill has been in the automobile business in Eureka, California, for the past five years and had built up a nice business and was considered a substantial business man; but on May 8th, 1920, he left Eureka. Since his departure a lot of fraudulent transactions have been exposed:—He mortgaged his business to one man and sold it to another, he also sold several automobiles, belonging to other people, and embezzled the money received. He left here in a Paige car which he bought on contract, having given a lathe, which was mortgaged, in part payment. The description of the machine is as follows: Paige Touring Car, color dark green, black wheels, chassis number 102,814, motor number 106,780, model 1918.

Through information received from California Bureau of Criminal Identification at Sacramento, it has been learned that Cahill is an ex-convict, San Quentin No. 24103, his description is as follows: Rex Cahill alias R.H.Cahill, alias R.E.Cahill, height 5 feet 8 1/2 inches, weight 175 pounds, age 37 years, hair light brown, complexion medium, two moles on right cheek, pug face and medium thick lips, eyes blue, heavy eyebrows. Finger print <sup>9-A-15</sup><sub>20-16</sub>. He is a married man and has a wife about ten years old. No doubt he will go into the automobile business, as he is an experienced automobile mechanic.

The picture is a good likeness of him and he could be easily identified by it. I am very anxious to get this man and would appreciate assistance of all Peace Officers. A substantial reward will be paid any one arresting or giving information that will lead to his arrest.

I hold warrant for grand larceny.

There is a party by the name of Marcel D. Edwards who was formerly in the employ of this club. He left here about 60 days ago and took with him a lot of membership cards, a lot of radiator signs and stationery belonging to the club including official signs and we understand is victimizing people all over the country by taking membership in this club, which he has no authority to do. At one time he had authority and was the trusted employee of the club but that authority has been rescinded and he has no right whatever to represent this club in any capacity whatever.

We learned that he has been in your city or neighborhood and we are trying to locate him. If we can locate him we will swear to a complaint and have him brought back. Will you please be so kind as to inform us if he has been in your neighborhood or if you have heard of any of his work? His name is Marcel D. Edwards. He is about 30 or 37 years of age, smooth shaven, fair complexioned, good looking, a good dresser, generally wears a khaki suit, has one of the club badges and has a uniform cap with the words in gold letters, "Officer No. 3 of United Auto Clubs" and undoubtedly has a lot of stationery, letters and etc. of the club in his possession.

# \$1,000 REWARD 168

For arrest and delivery to me of Charles H. Tuxhorn, last seen at Salem, Oregon, in early part of 1920 by a party who knew him. He has been a fugitive from justice since January, 1905. The following description and photograph are of the time the crime was committed. The second description is up-to-date as given by the party who saw this man this year. Wanted at McPherson, Kansas, for the murder of his two sons on January 21, 1905.

## Description in 1905.

Aged 49, height 5 feet 11 inches, dark hair, light colored heavy moustache, blue eyes, weight 175 to 180. Little stooped or round shouldered, usually wore black slouch hat, second finger on left hand has nail split or crooked. Little toe gone from right foot. Rather mild voice, swings head when talking fast. When last seen wore striped suit, black shirt. Gold filling in three or four front teeth. Fairly well educated in German. No German accent. Slight limp in walking. Might shave off moustache.

## Description in 1920.

Aged about 64, height about 6 feet, weight about 185 pounds, hair gray, moustache shaved off, gold in front teeth, a little round shouldered red complexion, has a mild voice and swings head when talking. Keeps a sharp look-out, watching everybody. Wore a large black hat, black suit and in walking will walk a ways and stop and look back, or rather swing around and look back. Marks and scars as per description No. 1.

This man originally was in the saw mill business and is believed to be in the timber country of the northwest. Will be using an assumed name and is no doubt living in Oregon or Washington, as the identification of the party who saw him at Salem this year is positive, he having known him up to the time the crime was committed.

This man was known to have a large roll of money in his possession when he left here, possibly from ten to twenty thousand dollars. Was wealthy and a good money maker. May be found either in upper or lower classes now. Was traced from here to lumber camps in the south shortly after the crime, but disappeared from there.

If located, handle with care as this man will make his get-away or commit suicide when cornered.

If located, arrest and wire me at my expense and reward will be paid when this man is identified.

Any information that might lead to his arrest will be appreciated and will be paid for if apprehended.

# \$500 Reward

MAUDE MOORE

MARTIN HUNTER

Knoxville, Tenn., August 4, 1920.

A reward of \$500 has been offered for the arrest of MAUDE MOORE, formerly of Knoxville, Tenn., now under indictment in the Criminal Court of Knox County, Tenn., charged with murder in the first degree, for killing LeRoy D. Harth, a Knoxville automobile dealer, September 8th, 1919, on a highway in said County, for the alleged purpose of robbery, the killing occurring in the night time. She has been once tried and convicted of murder in the first degree, receiving a sentence of twenty-one years in the penitentiary, but a new trial was thereafter granted. When her case was called in said trial was thereafter granted. When her case was called in said

Court on July 27th, 1920, she failed to appear and a forfeiture was taken on her bond of ten thousand dollars against R. E. Boring and Edward McNew, of Knoxville, Tenn., securities thereon. The reward of \$500 above referred to is offered by her said bondsmen, who are solvent. She is reported to have left Knoxville between July 15th, and July 20th, 1920.

In connection with the same crime, one Martin Hunter was also indicted as an accessory after the fact. He has likewise forfeited his bond; is wanted by the authorities of Knoxville; and will probably be found in company with Maude Moore. Their pictures taken in 1919 appear at the top heretofore.

## DESCRIPTION OF MAUDE MOORE AND MARTIN HUNTER

MAUDE MOORE, alias Maudene Moore, alias Maude Wright, age about 28 years; dark brown hair; pale, piercing, brownish gray eyes; weight about 120 pounds; height 5 feet 4 inches to 5 feet 6 inches; slender face; swarthy complexion; slender figure; fairly good looking; talks in a very positive manner, voice being clear and fairly loud for a woman of her size; is high tempered and excitable. By profession she claims to be a stenographer, but is usually found in the company of men of dissolute habits. Has a surgical abdominal scar resulting from an operation performed in March, 1920. Usually wears a broad-brimmed hat. Was born and reared in Knoxville, Tenn., and will likely receive mail postmarked at Knoxville.

MARTIN HUNTER, aged 25 years; height 5 feet 8 1/2 inches; brown eyes; light brown hair; fair complexion; by occupation laborer and steel worker; weight about 150 pounds and of stocky, heavy build, wears hair pompadour fashion; has wrinkled forehead, with a scar on top of head, beginning near edge of hair over forehead. Was born at Bear Creek, Ky., and formerly resided at Indian Harbor, Ind., where his wife, from whom he is separated, resides. He has served in the United States Army in France as a bugler, Company K, 149th Infantry; Company G, 153rd Infantry; and Headquarters Company, 164th Infantry. Was discharged at Camp Zachary Taylor, Kentucky, April 12th, 1919. Some times wears a service button in the lapel of his coat. Writes his signature vertical or back-hand fashion. His finger prints are on file with the Police Department of Knoxville, Tenn. I. C. King, of Knoxville, Tenn., surely upon the bond of Martin Hunter, and who is solvent, offers a reward of Fifty Dollars (\$50.00) for the arrest of said Martin Hunter.

Any officer or citizen apprehending either Maude Moore or Martin Hunter is requested to immediately communicate that fact by wire to the undersigned and an officer will be sent to receive and return the prisoners to Knoxville and pay the above rewards. It is not definitely known to the authorities here whether or not these parties will be found together, but such is probable, and if so, they will probably be passing as husband and wife, under assumed names.

Circular Memo No. 1534

Regina, Sask. August 24, 1920

To all Provincial Police Detachments,

The following is a description of four men wanted here for shooting with intent to kill, and Highway Robbery, committed at Northgate, Sask:-

No. 1. Leonard McCoy, alias Sutton, alias George W. Robinson. age 32, brown complexion, brown hair, brown eyes, medium nose, large mouth, medium ears, teeth in fair condition, weight 170 lbs, face long and fleshy; height 5' 11", slim figure. Wears size 8 shoes, nationality Scotch-Irish.

No. 2. Art Jordan (proper name Robert Enhart) American, German descent, height 6', weight 100 lbs, slightly stooped, slim build and raw boned, cast in the left eye, age about 34 years.

No. 3. Van Mullholan, age 38 years, sandy complexion, stout build,

No. 4. Is a brother of Van Mullholan, about same size, build and complexion,

These four men are alleged to have held up two automobiles on the Canadian side of the International Boundary travelling South near Northgate about 4 o'clock on the morning of the 24th inst. These men were armed with 30.30 rifles and .45 calibre revolvers, which they used freely in firing on the occupants of both cars, dangerously wounding Miller and Morris.

J. J. Holt, Guy Miller and Ben Morris of Fargo, N. D. were the occupants of the cars held up and can identify all four bandits.

Leonard McCoy is well known in the Maple Creek, Medicine Hat and Lethbridge Districts, where he was formerly engaged as a Cow-Puncher, and has taken part in several of the Western Stampedes. Jordan, alias Enhart, is well known in Winnipeg and Doloresine, Man.

It is also alleged that the Mullholan Brothers are well known in Winnipeg. These men are also wanted by the Sheriff at Huron County, S. D. for theft of an automobile.

McCoy and Jordan are also wanted by the Warden of Bismark Penitentiary for escaping from lawful custody.

The accused persons were driving a Nash 7 passenger automobile at the time of the Hold-Up, and immediately after drove South, taking with them a Nash runabout car belonging to it.

At Velva, N. D. they stole a Dodge car belonging to Doctor Aaker and left the Nash 7 passenger automobile in its place. They will therefore likely be in possession of the Nash runabout and a Dodge 5 passenger automobile.

Those men are well known in Mitchell and Aberdeen, S. D. and I would respectfully request the hearty co-operation of all Police Officers in their apprehension.

If necessary, extradition proceedings will be instituted for their return to Saskatchewan for trial.

# \$10,500 REWARD

286

The City of New York offers \$10,000 REWARD for the arrest and furnishing of evidence sufficient to warrant and secure the conviction of the person or persons guilty of causing or perpetrating the disastrous explosion on September 16, 1920, on Wall Street near Broad Street, this City, resulting in the killing, maiming and wounding of a large number of people.

\$500 REWARD is offered to any person or persons furnishing this Department with information leading to the identity of the ownership of the horse-drawn wagon which was destroyed at the time and place of said explosion.

## DESCRIPTION OF HORSE AND WAGON WHICH CARRIED EXPLOSIVES

**HORSE**—Dark Bay Mare, about 15 3-4 hands, 15 years, weighing approximately 1050 pounds, long mane and stubby foretop, evidently clipped about a month ago. Several scars on left shoulder. Few white hairs on forehead.

**SHOES**—Hind shoes marked JHU and NOA in same size letters about half an inch apart. The front shoes wore pads, circle in center reading "Niagara Hoof Pad Co., Bison, Buffalo, N. Y."

**HARNESS**—Single set of heavy wagon harness, old and worn, had been frequently repaired. Turret rings were originally of brass, one now broken, the other silver mounted and evidently belonging originally to coach harness.

**WAGON**—Single, top, capacity one to one and one-half tons, red running-gear, striped black with fine white lines. Three-foot wheels on front, 4 1-2 foot hind wheels of Sarvant patent. Body 5 feet 6 inches high, 53 inches wide on outside, about 8 or 8 1-2 feet from ground to top of wagon. Shaft attached was not the one originally belonging to it, as it was narrower than the couplings provided for holding shaft to wagon.

Photo of shoes will be found on reverse side of this circular.

Police authorities are requested to furnish a copy of this circular to all horseshoeing shops, blacksmith shops and stables within their jurisdiction for the purpose of identification.

If you obtain any information which may lead to the arrest of the perpetrators, wire or phone Detective Division, Police Headquarters, New York City.

# REWARD: \$3,500 for Arrest and Delivery and Final Conviction of C. E. Newman, et al.

To The Sheriff, Constable or Any Person Authorized to Make Arrest:

The above reward is offered for the arrest, delivery and final conviction of a man named C. E. Newman and those acting with him in the murder of Hershel Erwin, who was murdered and body burned in ranch house, while on a trip to Fort Worth, Texas, acting in the capacity of jitney driver, on the 29th day of April, A. D. 1920. The said reward is offered under the conditions hereinafter set out.

C. E. Newman is commonly called Tex Newman. However, he may be known and going under the name of Charley Newman, C. E. Neal, or any other name. Changing his name seems to be a specialty. He is a man about 35 to 37 years of age, six feet 1½ inches high, weighs about 210 lbs., dark or red complected, cheeks inclined to be rosy, dark gray eyes, hair inclined to be dark, and considerably bald on top of head. He stands and walks erect or straight and swings his arms while walking.

C. E. Newman usually dresses in brown or khaki suit, tan and wears russet shoes, shoes being No. 10. Newman is a neat dresser. When last seen wore a large gold watch chain with a \$20.00 gold piece for a charm, wore a large ring on finger of left hand.

He was arrested at College Mound, Missouri, with the Dodge car in his possession that the said Hershel Erwin was driving at the time he was murdered. J. H. Erwin, the father of Herschel Erwin, offers a reward of \$500.00 for the arrest of Tex Newman, and his delivery to the Sheriff of Parker County, Texas, or any one authorized by him to receive Newman. It is understood, however, that the party arrested and delivered must be the Tex Newman who is wanted here for the murder of Hershel Erwin. \$100.00 reward will be paid by the said J. H. Erwin for any information leading to the arrest of said Tex Newman. \$3,500 reward will be paid for the arrest, delivery to the Sheriff of Parker County, Texas, and final conviction of the parties guilty of the murder of the said Hershel Erwin.

We are requesting you to make investigation and wire all information to the Sheriff of Parker County, Texas, at his expense. If you should locate him, use all caution, for he is a very dangerous man, and it will not do to let him have any advantage at all. He is described as being thirty years of age, smooth shaven, five feet, eight inches in height, and medium build. Several of the reports mention that he has a "mean looking face".

*Wanted for  
Desertion  
and  
Failure to Provide*

This man was formerly employed by the State Accident Industrial Commission at 625 Market Street, San Francisco, and left his employ October 1st, 1920, and since that time has not communicated with his family.

He is well known in Eureka, Weed, and Los Angeles, and will very likely seek employment as a Safety Engineer, or clerical work, as he is not very robust.

It is believed that this man left with a woman who will very likely pass as his wife, and it is probable that he may be under an assumed name.

This is a most aggravated, premeditated case of desertion of two minor children and a wife, and we are very anxious to locate this man.

If located, arrest and hold, and wire me and I will send an officer for him. I hold a felony warrant of arrest.

Chief of Police.

Yesterday about 4:00 P. M. two men entered the Motion Picture Store of J. C. Mannum located at 17 Leese Street, San Francisco, and asked Mrs. Mannum, who was alone at the time, if she carried legal papers in glasses root beer. While she was drawing the beer one of them remarked "You sell money orders do you not?" and she replied "Yes". Then this party stated that he wanted to purchase one. She asked the amount and he said thirty-six cents, payable to Wittericks National Co. The other man remarked "Why not send U. S. postage stamps?" which after some argument they decided to do and purchased ten cents worth.

372

Mr. Mannum sells American Express Money Orders and had a supply on hand, Nos. C 6304621 to C 6304659 inclusive, which are kept in a drawer near the rear of the store. When the men first talked about purchasing a money order she removed the book of money orders from drawer but when they decided to send stamps she placed the money orders back in drawer and went to the front of the store to get the stamps. Man No. 2 went with her to the front of the store, while man No. 1 remained near where the money orders were and went behind the counter pretending to be looking at a small child's drum, and while he was doing this took the book of money orders.

Man No. 1 is described as follows: Age 25 to 30; height about 5 feet 7; weight 150 to 160 lbs.; smooth shaven; wore gold rimmed spectacles; dark vestra hat; dark suit with a white cord around the front of vest. He has two teeth crowned with gold on the left side of mouth, which are shorter than the others. He was very talkative. Nationality American. Was very cool in his motions and his hands were soft and white showing no evidence of hard work. Wore a plain gold ring on index finger of left hand.

Man No. 2 is described as follows: Age 25 to 30 years of age; height 5 feet; slender build; weight about 150 to 160 lbs.; very pale complexion; brown eyes; smooth shaven; brown hair; wore dark brown hat and dark brown suit with a white cord around the front of vest. Nationality American. Looked as if he had just recovered from a cold or pneumonia. Had small scar on left side of upper lip and also one on right side of lower lip.

They immediately left after securing the stamps and boarded a taxi street car for San Francisco.

# \$1,000.00 REWARD

On Sunday, December 5th, 1920, the store of Hale Bros. Inc., Market and Fifth Streets, this city, was entered by burglars, the safe was blown and a large sum of money taken, together with U. S. Liberty Bonds and Railroad tickets, described in this circular.

At 5:20 P. M. the watchman let out an inventory crew through the Fifth Street entrance and before he had time to lock the door a man stepped up saying that he had a package for the special officer of the store; upon gaining admission he said that he was a government officer and accused the watchman of being a bootlegger, covered him with a gun; the hold-up man was followed by two of his confederates; they hand-cuffed and blindfolded the watchman, and two other employees of the store who arrived later were treated in the same manner.

The two employees were taken to the fourth floor where the safe was located, and one of the gang was left down stairs taking charge of the watchman and accompanying him on his rounds ringing the A. D. T. alarm boxes.

The work on the safe was done by drilling a hole over the combination; failing to open the door they knocked the combination off and loaded the hole with nitro-glycerine; after setting it off they succeeded in opening the door; the inner door was worked on in the same manner, and after setting the charge off eight different times the door was blown entirely apart, scattering the inside filling of the door and the contents of the safe all over the room.

They used fulminating caps and battery for discharging the shots, and during the operation were heard addressing each others as "Tony," "Jack" and "Roy."

After rifling the safe, and before leaving the building, they placed the three employees in the elevator, where they were found and released by the special officer at 9:30 P. M.

The safe blowers left behind them a brace and bit, five or six different sizes of drills, a blacksmith hammer, some Fels-napthasoap, two nail pullers and several quarter inch punches.

The MODUS OPERANDI on this job is exactly the same as the safe job committed Sunday evening, March 7th, 1920, in a department store on Fifth Street, Los Angeles, Cal.

The following described railroad tickets were taken:

1 Form. 8464	No. 1223-1228
2 Form. 5301	No. 7517-7522
3 Form. 8464	No. 1234-1235-1236-1237

5 Form. 7880	No. 8857-8858-8859-8860
6 Form. 7222	No. 717-718-719-720

These tickets were purchased in Palo Alto, California, and were round trip tickets from that city to New York and return and were only used from Palo Alto to San Francisco; they were routed over the Southern Pacific, Union Pacific and Chicago and North Western to Chicago and over the Pennsylvania from Chicago to New York.

Description of the men who committed the crime:

- No. 1.—Age about 28 or 30 years; height about 5 feet 3 or 4 inches; weight, 160 pounds; stocky build; full round face; swarthy complexion; smooth shaven; dressed in reddish brown overcoat and dark brown cap.

OFFICE OF THE CHIEF OF POLICE,  
Police Headquarters.

Duluth, Minn. January 22, 1921.

From: Major Warren E Pugh, Chief of Police.  
To: The Chief of Police.  
Subject: Modus Operandi of persons robbing Hendricksen Jewelry Store.

507A

1. On Nov. 26, 1920 two men entered the store of A J Hendricksen and robbed the store of diamonds to the amount of \$2,500.00. To enable us to obtain a tangible lead on the robbers I desire to get Bertillon Measurements, photographs and other information of all the men who are known to operate after the following Modus Operandi:

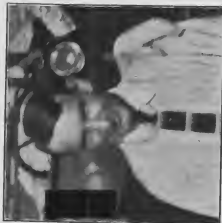

On the Saturday preceeding the robbery a man who later turned out to be one of the robbers, entered the store and asked to see diamonds. Some time was spent in the store but no purchase was made and the man agreed to return to the store to buy diamonds later. On Friday November 26th at ten o'clock in the morning a man entered the store and asked to see high grade watches and about the same time the man who was in to see diamonds a few days before, came in. Both men remained in the store sometime and until the store was clear of customers. The stratagem used was the pretense of being bona fide purchasers and the operators displayed a cultured and pleasing manner. When the store was free of customers the man who was looking at diamonds suddenly drew from his pocket a vial containing an ammonia solution and threw it into the eyes of the proprietor. When the clerk at the watch counter was attracted by the cries of pain, both men drew guns and the clerk and the proprietor were clubbed with revolvers until they fell to the floor unconscious. Both men carried large caliber blue steel revolvers and were unaided by accomplices in an automobile. They left the place on foot after firing two shots to frighten off pursuers.

2. This department will appreciate any assistance your Bureau of Identification can furnish in obtaining photographs and assure you that the services of this department and its criminal records are at your disposal at any time.
